Dennis knows that Arnie's never had much luck in the popularity department or really taken an interest in owning a car, but Christine quickly changes all that. Arnie suddenly has the newfound confidence to stick up for himself, going as far as dating the most beautiful girl at Libertyville High, transfer student Leigh Cabot, even as a mysteriously restored Christine systematically and terrifyingly consumes every aspect of Arnie's life. Dennis and Leigh soon realize that they must uncover the awful truth behind a car with a horrifying and murderous history. trinity THE MAN THE WOMAN and THE BOY and everyone around him and always did his best to not be a BAD DOG But that all ends on the day this nearly two hundred pound Saint Bernard makes the mistake of chasing a rabbit into a hidden underground cave setting off a tragic chain of events Now Cujo is no longer himself as he is slowly overcome by a growing sickness one that consumes his mind even as his once affable thoughts turn uncontrollably and inexorably to hatred and murder Cujo is about to become the center of a horrifying vortex that will inescapably draw in everyone around him a relentless reign of terror fury and madness from which no one in Castle Rock will truly be safe PET SEMATARY When Dr Louis Creed takes a new job and moves his family to the idyllic and rural town of Ludlow Maine this new beginning seems too good to be true Yet despite Ludlow s tranquility there s an undercurrent of danger that exists here Those trucks on the road outside the Creeds beautiful old home travel by just a little too quickly for one thing as evidenced by the makeshift pet cemetery out back in the nearby woods Then there are the warnings to Louis both real and from the depths of his nightmares that he should not venture beyond the borders of this little graveyard A blood chilling truth is hidden there one more terrifying than death itself and hideously more powerful An ominous fate befalls anyone who dares tamper with this forbidden place as Louis is about to discover for himself *The Gothic World of Stephen King* Gary Hoppenstand, Ray Broadus Browne, 1987 Stephen King s popularity lies in his ability to reinterpret the standard Gothic tale in new and exciting ways Through his eyes the conventional becomes unconventional and wonderful King thus creates his own Gothic world and then interprets it for us This book analyzes King s interpretations and his mastery of popular literature The essays discuss adolescent revolt the artist as survivor the vampire in popular literature and much more **Christine** Stephen King, 1990
