Innocent Subjects Terese Jonsson, 2020-12-20 In a time of intensified global white supremacist and patriarchal violence anti racist feminist movements and analyses have never been more vital Women of colour are at the forefront of these struggles worldwide but are white feminists really by their side Despite a rich history of

Black and postcolonial critiques of racist and imperial feminist politics racism still exists within contemporary British feminism To explain why Terese Jonsson examines the history of feminism over the last forty years She argues that Black feminism s role in shaping the movement has been marginalised through narratives which repeatedly position white women at the centre of the story from the women s liberation movement in the 1970s to today Analysing the ways in which whiteness continues to pervade feminist literature as well as feminist debates in the liberal media Jonsson demonstrates that despite an increased attention to race intersectionality and difference stories told by white feminists are shaped by their desire to maintain an innocent position towards racism

Reclaiming Female Authorship in Contemporary UK Television Comedy Laura Minor,2024-08-31 This book explores female authorship in UK television comedy with a focus on British and Northern Irish writers performers More specifically it examines comedy texts produced between 2010 and 2020 a period marked by a proliferation of female centric and female created comedy In the following order comedians Julia Davis Phoebe Waller Bridge Caitlin Caroline Moran Michaela Coel and Sharon Horgan will be analysed as key case studies Drawing from these case studies the book has two objectives First it seeks to update Kathleen Rowe s concept of the unruly woman shifting the emphasis from visibility and performance to the labour and contexts behind on screen portrayals Building on Rowe s existing scholarship the book introduces the term fastidious to describe how comedians display delicacy precision and control over their carefully crafted TV series Secondly the book aims to extend this concept to British and Northern Irish TV writers performers who have been either overlooked or examined within broader transnational projects In doing so it reclaims the authorship of women from the UK

Pop-Feminist Narratives Emily Spiers,2018-04-12 In *Pop Feminist Narratives* Emily Spiers explores the recent phenomenon of pop feminism and pop feminist writing across North America Britain and Germany Pop feminism is characterised by its engagement with popular culture and consumerism its preoccupation with sexuality and transgression in relation to female agency and its thematisation of intergenerational feminist discord portrayed either as a damaging discursive construct or as a verifiable phenomenon requiring remediation Central to this volume is the question of theorising the female subject in a postfeminist neoliberal climate and the role played by genre and narrative in the articulation of contemporary pop feminist politics The heightened visibility of mainstream feminist discourse and feminist activism in recent years especially in North America Britain and Germany means that the time is ripe for a coherent comparative scholarly study of pop feminism as a transnational phenomenon This volume provides such an account of pop feminism in a manner which takes into account the varied and complex narrative strategies employed in the telling of pop feminist stories across multiple genres and platforms including pop literary fiction the popular guide to feminism film music and the digital

What About Men? Caitlin Moran,2023-09-26 An Instant 1 Sunday Times bestseller With her signature candor and wit New York Times bestselling author Caitlin Moran attempts to answer society s weirdly unasked question What About Men Like anyone who discusses the problems of girls and women in public Caitlin Moran has often been

confronted with the question But what about men And at first tbh she dgaf Boys and men are fine right Feminism doesn't need to worry about them However around the time she heard an angry young man saying he was boycotting International Women Day because it's easier to be a woman than a man these days she started to wonder are unhappy boys and men also making unhappy women The statistics on male misery are grim boys are falling behind in school are at greater risk of depression greater risk of suicide and most pertinently are increasingly at risk from online misogynist radicalization Will the Sixth Wave of feminism need to fix the men if it wants to fix the women Moran began to investigate talking to her husband close male friends and her daughters friends bringing up very difficult and candid topics and receiving vulnerable and honest responses So what about men Why do they only go to the doctor if their partner makes them Why do they never discuss their penises with each other but make endless jokes about their balls What is porn doing for young men Is sexual strangling a good hobby for young people to have Are men ever allowed to be sad Are they ever allowed to lose Have Men's Rights Activists confused power with empowerment Are Mid Life Crises actually quite cool And what's the deal with Jordan Peterson's lobster In this thoughtful warm provocative book Moran opens a genuinely new debate about how to reboot masculinity for the twenty first century so that straight white man doesn't automatically mean bad news but also uses the opportunity to make a lot of jokes about testicles and trousers Because if men have neither learned to mine their deepest anxieties about masculinity for comedy nor answered the question What About Men then it's up to a busy woman to do it Moranology Caitlin Moran, 2012-11-06 The follow up to her bestselling breakout hit How to Be a Woman Moranology is a hilarious insightful collection of Moran's London Times columns that confirms her status as the UK's answer to Tina Fey Chelsea Handler and Lena Dunham all rolled into one Marie Claire Possibly the only drawback about the bestselling How to Be a Woman was that its author Caitlin Moran was limited to pretty much one subject being a woman Moranology is proof that Caitlin can actually be quite chatty about many other things including cultural social and political issues that are usually the province of learned professors or hot shot wonks and not of a woman who once as an experiment put a wasp in a jar and got it stoned Here you'll find Caitlin ruminating on and sometimes interviewing subjects as varied as caffeine Keith Richards Ghostbusters Twitter the welfare state the royal wedding Lady Gaga and her own mortality to name just a few With her brilliant original voice Publishers Weekly Caitlin brings insight and humor to everything she writes **How To Build A Girl** Caitlin Moran, 2014-09-23 A hilarious yet deeply moving coming of age novel from New York Times bestselling author Caitlin Moran the UK's answer to Tina Fey Chelsea Handler and Lena Dunham all rolled into one Marie Claire What do you do in your teenage years when you realize what your parents taught you wasn't enough You must go out and find books and poetry and pop songs and bad heroes and build yourself It's 1990 Johanna Morrigan fourteen has shamed herself so badly on local TV that she decides that there's no point in being Johanna anymore and reinvents herself as Dolly Wilde fast talking hard drinking Gothic hero and full time Lady Sex Adventurer She will save her poverty stricken Bohemian family by becoming a

How We Love Clementine Ford, 2021-11-02 A deeply personal exploration of love in all its forms from a feminist icon and bestselling author of *Fight Like a Girl* and *Boys Will Be Boys* There is love in this place just like there is love everywhere we care to look for it There is beauty and there is hope and there is a boy and there is a mother and there is the past and there is the future but most importantly there is the now and everything that exists between them that has got them from one moment to the next The now is where we find the golden glow where for the briefest of moments the sky rips open and we see what it is we are made of Tell me a story he asked me And so I began *Clementine Ford* is a person who has loved deeply strangely and with curiosity She is fascinated by love and how it makes its home in our hearts and believes that the way we continue to surrender ourselves to love is an act of great faith and bravery This tender and lyrical memoir explores love in its many forms through Clementine s own experiences With clear eyes and an open heart she writes about losing her adored mother far too young about the pain and confusion of first love both platonic and romantic and the joy and heartache of adult love She writes movingly about the transcendent and transformative journey to motherhood and the similarly monumental path to self love We love as children as friends as parents and yes sometimes as sexual beings and none of it is more important than the other because all of it shows us who we are *How We Love* is heartfelt funny confessional revelatory compassionate and essential reading It shows us to ourselves in moments of unwavering truth and undeniable joy Sensitive soulful and utterly captivating Jamila Rizvi author and editor of *The Motherhood* Such gorgeous and powerful storytelling
