## **Losing My Religion A Call For Help:**

**Losing My Religion** Jeffrey Lang, 2004 Crucial to the vitality of any religious community is its ability to attract and engage descendants and converts By this measure notwithstanding the proliferation of mosques and Islamic organizations the Muslim community in America is not doing at all well This rather sober assessment motivates Dr Lang to address in this book the alienation from the Mosque of the great majority of America's homegrown Muslims In **Losing My Religion A Call For Help** the author comes to terms with many of the queries put to him by Americans of Muslim parentage and converts to Islam since the publication of his book **Even Angels Ask** in 1997 Lang asserts that to effectively respond to the general malaise of American born Muslims the Islamic establishment in America needs to be willing to listen to the doubts and complaints of the disaffected This entails engaging in open discussions on issues with which many in the Muslim community will be uncomfortable but Lang avers that such open dialogue will be of more benefit to young American Muslims struggling with their faiths than the covert and uniformed discussions that often take place or no discussion at all In addition to examining questions of theodicy hadith authenticity and moot practices within the American Muslim community the author includes many testimonials and inquiries that make this book informative

**Losing My Religion** William Lobdell, 2009-03-06 Lobdell's spiritual journey fascinates not least on account of the irony of his trajectory from agnosticism to belief to atheism while covering religion Booklist starred review William Lobdell's journey of faith and doubt may be the most compelling spiritual memoir of our time Lobdell became a born again Christian in his late 20s when personal problems including a failed marriage drove him to his knees in prayer As a newly minted evangelical Lobdell a veteran journalist noticed that religion wasn't covered well in the mainstream media and he prayed for the Lord to put him on the religion beat at a major newspaper In 1998 his prayers were answered when the Los Angeles Times asked him to write about faith Yet what happened over the next eight years was a roller coaster of inspiration confusion doubt and soul searching as his reporting and experiences slowly chipped away at his faith While reporting on hundreds of stories he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders He investigated religious institutions that acted less ethically than corrupt Wall St firms He found few differences between the morals of Christians and atheists As this evidence piled up he started to fear that God didn't exist He explored every doubt every question until finally his faith collapsed After the paper agreed to reassign him he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt **Losing My Religion** is a book about life's deepest questions that speaks to everyone It is must reading for people of faith and nonbelievers alike
