Forthcoming Books Rose Army,2002-04 **Business Periodicals Index** ,1999 **Current Law Index** ,2003

Current Index to Journals in Education ,1998-07 *Online Privacy Protection* ,2001 It is routinely acknowledged that the success of the Internet and electronic commerce depends upon the resolution of issues related to the privacy of online personal information This paper discusses some potential threats to the privacy of online personal information and efforts by businesses governments and citizens to respond to them The paper also provides an overview of the legal framework for the protection of personal information The Constitution protects the privacy of personal information in a limited number of ways and extends only to the protection of the individual against government intrusions Any limitations placed on the data processing activities of the private sector will be found not in the Constitution but in federal or state law With the exception of the Children s Online Privacy Protection Act of 1998 none of these laws specifically covers the collection of online personal information The Commission issued a report to Congress in July 1999 on Self Regulation and Online Privacy and found that the vast majority of the sites surveyed collect personal information from consumers online and that the implementation of fair information practices is not widespread The FTC issued a new report in May 2000 after another survey of web sites Notwithstanding measurable gains since the 1999 report to Congress a majority of the Commission found that self regulation alone without some legislation is unlikely to provide online consumers with the level of protection they seek and deserve and

recommended that Congress consider legislation to complement self regulation Privacy Online United States. Federal Trade Commission,1998 **Internet and Online Privacy** Andrew Frackman,Rebecca C. Martin,Claudia Ray,2002

Analysing the legal issues concerning online and Internet privacy this book covers the historical developments leading to the current state of the law and the relevant legal actions that have helped to shape it Examined are the leading lawsuits that have asserted invasion of privacy on the Internet the comparison of the state of the law in the United States with that of its principal trading partners around the world and enforcement activity by the Federal Trade Commission Also covered are proposals for new legislation and precedents for drafting a privacy policy that conforms to standards required by United States and international law **Online Privacy and Information Security** Kevin R. Erdman,William R. Bradley,National Business Institute,2009 E-Business Privacy and Trust Paul Shaw,2001-07-24 Protect your customers and your business with these essential rules of the road for maintaining Web site security Any company planning to do business on the Internet today must first become fully knowledgeable about the legal issues pertaining to consumer privacy and security or risk severe financial penalties and loss of customer loyalty In addition to making a Web site easy to navigate and transactions simple to manage Web site developers must also make it secure Failure to do so may result in legal action and irreparable damage to a company s reputation E Business Privacy and Trust is a clear easy to follow handbook that outlines the legal aspects of maintaining privacy and security on the Web and shows today s businesses how to protect themselves by building basic guidelines into their e business development strategies The author an expert on the subject of computer law provides a complete overview of privacy law security systems and various ways today s businesses can protect themselves and their customers online whether they re doing business locally or globally In an environment fraught with potential pitfalls E Business Privacy and Trust will help every e business owner financial professional and IT expert confidently reap the benefits of doing business on the Web while providing the level of security confidentiality and service your customers and your company demand
