Bombay Blues Tanuja Desai Hidier, 2014-08-26 The long-anticipated sequel to Tanuja Desai Hidier's groundbreaking *BORN CONFUSED*, Dimple Lala thought that growing up would give her all the answers, but instead she has more questions than ever. Her boyfriend is distant, her classmates are predictable, and a blue mood has settled around the edges of everything she does. It's time for a change, and a change is just what Dimple is going to get. Scenery of cultures of mind. She thinks she's heading to Bombay for a family wedding, but really she is plunging into the unexpected, the unmapped, and the uncontrollable. The land of her parents and ancestors has a lot to reveal to her. For every choice we make can crescendo into a journey, every ending can turn into a beginning, and each person we meet can show us something new about ourselves. Tanuja Desai Hidier's *BORN CONFUSED* gave voice to a new multicultural generation. Now *Bombay Blues* explores everything this generation faces today with a heady mix of uncertainty and determination, despair and inspiration, haunting loss and revelatory love.

Reconstructing Hybridity, 2007-01-01 This interdisciplinary collection of critical articles seeks to reassess the concept of hybridity and its relevance to post-colonial theory and literature. The challenging articles written by internationally acclaimed scholars discuss the usefulness of the term in relation to such questions as citizenship, whiteness studies, and transnational identity politics. In addition to developing theories of hybridity, the articles in this volume deal with the role of hybridity in a variety of literary and cultural phenomena in geographical settings ranging from the Pacific to native North America. The collection pays particular attention to questions of hybridity, migrancy, and diaspora.

Postliberalization Indian Novels in English Aysha Iqbal Viswamohan, 2013-04-15 *Postliberalization Indian Novels in English: Politics of Global Reception and Awards* is a critical handbook that focuses on trends in contemporary Indian novels and discusses the global reception of these works. The volume provides a systematic approach to the study of Indian novelists that have not been, with certain exceptions, extensively examined.

Symbolism 14 Rüdiger Ahrens, Klaus Stierstorfer, 2014-12-12 Symbolic representation is a crucial subject for and a potent heuristic instrument of diaspora studies. This special focus inquires into the forms and functions of symbols of diaspora both in aesthetic practice and in critical discourse, analyzing and theorizing symbols from Shakespeare to Bollywood, as well as in critical writings of theorists of diaspora. What kinds of symbols and symbolic practices contributors ask are germane to the representation, both emic and etic, of diasporics and diasporas? How are specific symbols and symbolic practices analyzed across the academic fields contributing to diaspora studies? Which symbols and symbolic practices inform the academic study

of diasporas sometimes unconsciously or without being remarked on To study these phenomena is to engage in a dialogue that aims at refining the theoretical and methodological vocabulary and practice of truly transdisciplinary diaspora studies while attending to the imperative of specificity that inheres in this emerging field The volume collects a range of analyses from social anthropology history and ethnography to literary and film studies all combining readings of individual symbolic practices with meta theoretical reflections
