Harriet Pattison

Bougainvillea House:

Bougainvillea House Kalpana Swaminathan,2005 Memory is striped grey and black It stalks patient as a cat lean and randy A wild harsh solitary thing Clarice Aranza has come to Bougainvillea House to die But on her very first morning there she is pitched back into the turbulent secret life that she has striven hard to forget for thirty six years As Clarice grows weaker from the ravages of motor neuron disease barely able to walk or even sit up in bed her violent past is mirrored in fresh tragedies She retreats into silence and her doctor Liaqat Ali Khan is forced to take a bold step to help her unburden her mind What is Liaqat to make of Clarice s story Is it truth or morbid fantasy What can explain the recurrent motif of betrayal and sudden death And what can explain Liaqat s own dread In rich hypnotic prose Kalpana Swaminathan has probed the dark spaces of the human mind to construct a chilling and brilliantly paced psychological drama *Our Days Are Like Full Years* Harriet Pattison,2020-10-27 An intimate glimpse into the professional and romantic relationship between Harriet Pattison and the renowned architect Louis Kahn On a winter day in 1953 a mysterious man in a sheepskin coat stood out to Harriet Pattison then a theater student at Yale She would later learn he was the architect Louis Kahn 1901 1974 This chance encounter served as preamble to a fifteen year romance with Pattison becoming the architect s closest confidante his intellectual partner and the mother of his only son Here for the first time Pattison recounts their passionate and sometimes searing relationship Married and twenty seven years her senior Kahn sent her scores of letters many from far flung places until his untimely death This book weaves together Pattison s own story with letters postcards telegrams drawings and photographs that reveal Kahn s inner life and his architectural thought process including new insight into some of his greatest works both built and unbuilt What emerges is at once a poignant love story and a vivid portrait of a young woman striving to raise a family while forging an artistic path in the shadow of her famous partner **The Outing Magazine** ,1909
