Matters is your practical map Begin your journey to calmer clearer communication today Each chapter includes practical exercises quick wins and reflective prompts designed to help you apply the lessons today You ll build a sustainable daily practice of presence with micro habits short check ins and simple rituals that fit into any schedule Ideal for couples colleagues students caregivers and anyone who wants to lead with calm and clarity Begin your journey now *How to be Safe in an Unsafe World* Harold H. Bloomfield, Robert K. Cooper, 1997 The National Crime Survey reports that you have an 80 percent chance of experiencing at least one physical attack in your lifetime The Figgie Report indicates that four out of five Americans are afraid of being assaulted robbed raped or murdered and in a 1995 survey more than one out of three Americans reported feeling truly desperate about rising violence If you are afraid you are already a victim of violent crime In *How To Be Safe In An Unsafe World* best selling author and eminent psychiatrist Harold H Bloomfield M D and Robert K Cooper Ph D reveal smart accessible and statistically proven ways to ensure personal safety in a variety of vulnerable circumstances Based on the latest scientific research *How To Be Safe In An Unsafe World* offers the key to mastering safety intelligence and shows you how to convert the anxiety you experience when feeling threatened into a perpetual state of heightened awareness calm energy and power This invaluable book shows you how to best exploit a split second pause at the beginning of every confrontation how to transform nervous energy into strength and how to execute two or more de escalating vocal or physical responses that will free you from predatory harm *How To Be Safe In An Unsafe World* demonstrates that it only takes seven seconds for an attacker to size up a potential victim and that by even changing the way you walk can deter the likelihood of being assaulted Supported by the latest crime survey findings Dr Bloomfield reveals surprising do s and don ts of personal safety that can help steer you clear of harm s way For instance statistics show that yelling Help when confronted with danger actually discourages assistance However yelling words like Fire will not only distract a mugger or rapist but will attract the aid of bystanders *How To Be Safe In An Unsafe World* also shows you how to ask de escalating questions that begin with when not why or what that will help lower the volatility of a conflict rather than raise it Whether you are engaged with an angry spouse offensive coworker mugger or rapist this long overdue book provides proven safety measures to take in the most common harmful scenarios *How To Be Safe In An Unsafe World* teaches you why the need to feel safe is even more important than the need to love and be loved In addition the book discusses why a constant inner sense of fear or the resulting chronic hostility may damage the heart immune system or brain and actually end your life sooner than an assailant s bullet bomb or blade With forewords by Deepak Chopra and John Gray that describe the impact of violence on themselves and their families *How To Be Safe In An Unsafe World* prescribes a proven and practical formula for safety that you and your family can use to increase your sense of inner security and external safety from self defeating cycles of fear and insecurity *How To Be Safe In An Unsafe World* is a necessary book for everyone who fears for their safety in a world of increasing peril unpredictability and numbing incivility **Think Safe, Be Safe** Harold H. Bloomfield, 1998-05-12

Featuring Forewords by both Deepak Chopra and John Gray Think Safe Be Safe shows readers how a chronic lack of inner safety can be a major and often overlooked cause of emotional distress broken relationships and physical illness Brio & Beyond ,2005 The Crisis of the Self in the Age of Information Raymond Barglow,1994 This text draws on the experiences hopes and dreams of computer users to explore the personal psychological and philosophical implications for a post industrial information technology led society **Boundaries** Anne Katherine,1991 This book will teach you how to discover and protect your personal boundaries which is essential for mature choice making and the development of healthy relationships For anyone who has walked away from conversations meetings or visits with others feeling violated this is a book whose time has come **Reparenting the Inner Child** Dr. Nicole LePera,2026-03-24 From the 1 New York Times bestselling author of How to Do the Work and How to Be the Love You Seek comes a groundbreaking guide to healing our childhood wounds and rediscovering our full potential As adults we often fall into patterns that feel irrational or out of character shutting down lashing out people pleasing or self sabotaging Beneath those reactions lies our inner child a younger part of us still trying to get its needs met the only way it knows how We all carry the imprint of our earliest years Childhood is brief yet its impact is lifelong Some parts of us were met with love while other parts were met with silence criticism or disapproval To survive we learned to adapt learning to over perform to hide or stay small Most of us made it through with a mix of love and lack And many of us still protect the parts of ourselves that once felt unsafe While we can t change what happened we can change how it lives within us and impacts our lives today Reparenting the Inner Child offers a clear compassionate path to self integration combining practical exercises somatic tools and guided reflections to help us create the safety love and boundaries we ve always needed Through her holistic framework that models individual development Dr LePera explains how we can cultivate the emotional maturity and regulation to respond calmly instead of reacting to embrace desire instead of shame and to question the stories we ve long believed about who we have to be Enlightening empowering and clarifying Reparenting the Inner Child is a book that will stand the test of time as a comprehensive guide for personal development and healing and a resource that will forever change the way we understand ourselves The Commitment Chronicles Cheryl McClary,2006 An empowering new relationship handbook for women Shadows of Pain Vimala Pillari,1996 All too often people find themselves in relationships that provide neither true intimacy nor sexual satisfaction In all these relationships there are symptoms of pain hurt and anger Often these are the shadows of pain from the family of origin Sexuality and intimacy are interrelated Our sexual being and our capacity to relate are shaped by our family relationships Combining family therapy and cognitive therapy perspectives Vimala Pillari shows how the unrealistic and distorted views of ourselves and others that lead to problems in intimacy and sexuality can be understood and treated in both individual and couples therapy **National Magazine** ,1913
