Spirit If we try to create guided only by the old familiar map of our lives what we create won't be authentic to who we are becoming we'll just be doing the same thing over and over As intuitive counselor and spiritual cartographer Colette Baron Reid explains we need a different kind of map not one that tells us where we've been but one we fill in as each new experience changes us into who we need to be to live our destiny This new map is a map of the soul In *Uncharted* you'll learn to draw your own map of the soul as Colette guides you on an inward journey through five interconnected realms First you'll get oriented in the Realm of Spirit your home that connects the other four Then you will do the work of self evolution and co creation in the Realms of Mind Light Energy and Form In the Realm of Mind you experience your consciousness intermingled with that of all Consciousness In the Realm of Light you illuminate the darkness and experience transformation as you reclaim lost parts of yourself In the Realm of Energy you consciously direct the forces influencing you In the Realm of Form you see the results of your self evolution manifested in the material world At every step you learn to harness your personal power and turn fear into possibility as you venture into the undiscovered places where magic happens
