Needs Analysis Questionnaire:

Introducing Researching English for Specific Purposes Lindy Woodrow, 2022-06-30 *Introducing Researching English for Specific Purposes* is an accessible and practical guide to research in ESP. It is for novice researchers, graduate students and for ESP practitioners who want to do some research themselves. The author takes the reader step by step through the stages of research starting with choosing a topic and reviewing the literature through to writing up research findings. Examples are taken from academic journals and dissertations to highlight aspects of the research process. The book covers the following areas: developing a research project, research design, theoretical approaches to ESP research, choosing a research topic, quantitative, qualitative and mixed methods in ESP research, validity, reliability and ethics, writing up research in ESP. The book includes recommendations for further reading and tasks. There is also a glossary and a chapter providing advice, templates and links to useful research sources. *Introducing Researching English for Specific Purposes* is essential reading for anyone wanting to conduct research in ESP.

Vistas of English for Specific Purposes Nadežda Stojković, 2015-10-05 *English for Specific Purposes* ESP is one of the most needed forms of English Language Teaching with regards to the adult population in today's global market economy where the English language is a prerequisite for the exchange and communication of professional ideas, best practices and experiences and a necessary skill for advancement in one's career. This comprehensive volume brings together the most insightful papers from the First International Conference on Teaching English for Specific and Academic Purposes titled Connect and Share held at the Faculty of Electronic Engineering of the University of Ni, Serbia in May 2013. The collection covers a diverse and extensive list of topics and provides a number of invaluable contributions which prove the presence of ESP in all continents and in many different professions, sciences and businesses. Also of interest is the fact these papers highlight the interrelatedness of ESP and linguistics, the methodology of teaching, sociolinguistics and a number of other fields relevant to the study and practice of languages. The chapters of this book prove that immense, original, creative and worthwhile research is being conducted in the ever-growing and increasingly relevant field of ESP. At the same time, the book also offers rich insights into many innovative teaching practices that justify ESP as an important area of academic study.

Practising Education, Training and Development in South African Organisations Melinde Coetzee, 2007 The book contains a unique and refreshingly new perspective on education, training and development (ETD) practices in the 21st-century workplace context. It moves away from merely revamping known and traditional principles of ETD to providing the reader and student with practical tools and new perspectives on the changing and broadening role of the ETD practitioner in the workplace. It contains new and transformative models, practical applications and guidelines for students and readers on the South African outcomes-based approach to ETD, the profession and practice of ETD including quality assurance aspects.
