his expert understanding of Moscow and its players Harding takes the reader through every bizarre and disquieting detail of the Trump Russia story an event so huge it involves international espionage off shore banks sketchy real estate deals the Miss Universe pageant mobsters money laundering poisoned dissidents computer hacking and the most shocking election in American history [Crime in Progress](#) Glenn Simpson, Peter Fritsch, 2019-11-26 In the autumn of 2015 the founders of the US political research firm Fusion GPS Glenn Simpson and Peter Fritsch were hired by a Republican presidential candidate to look into the records of Donald Trump What began as a march through a mind boggling trove of lawsuits and sketchy overseas projects soon took a darker turn as they became the first to uncover Trump's disturbing ties to the Kremlin and the crimes that since have plagued his presidency To help them decipher this alarming evidence they engaged the services of an old acquaintance the former British MI6 agent and Russia expert Christopher Steele Steele would produce the notorious dossier which disclosed that the Trump team was deeply compromised by a hostile foreign power bent on disrupting the West and influencing the US presidential election In Crime in Progress the authors and Steele break their silence for the first time chronicling their high stakes investigation and their desperate efforts to warn both the American and British governments the FBI and the media to little avail and no matter the costs Yet when the dossier finally exploded onto the world stage after a leak a ten person research firm above a Starbucks in Washington was thrust into the centre of the biggest news story on the planet a story that would lead to the Mueller report and disrupt Trump's secret planned rapprochement with Putin's Russia that could have re-ordered the western alliance After four years on his trail the authors' inescapable conclusion is that Trump is an asset of the Russian government whether he knows it or not A real life political thriller with the makings of a modern classic Crime in Progress is the definitive story of the pursuit of the truth about Trump and one of the greatest betrayals in American history **Unredacted** Christopher Steele, 2024-10-08 The intelligence officer behind the explosive Steele Dossier steps out of the shadows revealing a searing new report on the threat Putin and Trump pose to democracy based on alarming intelligence exposed in these pages for the first time Putin is now desperate to have Donald Trump back in the White House If he succeeds in helping Trump get reelected I am convinced that the global political order will be utterly changed We shall have entered a new historical era of strategic chaos a new world disorder The consequences of Trump winning the 2024 election are catastrophic from Unredacted To a unique degree Christopher Steele has been an eyewitness observer of modern Russian history He was a British diplomat and intelligence professional in Moscow when the Soviet Union was collapsing Steele was there when the putsch against Mikhail Gorbachev took place and when Boris Yeltsin took over the newly independent Russia After Vladimir Putin came to power Steele rose to become one of British government's leading Russia experts and played a central role in the investigation into the Kremlin ordered murder of Alexander Litvinenko Then in 2016 he wrote a series of explosive reports about the then presidential candidate Donald Trump and his links to Russia Now known to the world as the Steele Dossier these intelligence documents drew the world's attention to Russia's

relationship with Trump and reluctantly thrust Steele into the center of a global maelstrom Since Trump s election he has quietly continued his work Indeed Steele has had even better access to sources of information and intelligence on Russia ones that have given him a privileged view of what s going on inside the Kremlin and how much we in the West should worry about it In Unredacted Steele shares for the first time what that inside view looks like how he came to the point of gaining such a level of insight and what Western governments and all of us can and should do to counter this generational threat

Crime in Progress Glenn Simpson, Peter Fritsch, 2019-11-26 1 NEW YORK TIMES BESTSELLER I ve read kind of all the books on this subject and this is the one you want to read Rachel Maddow Before Ukraine before impeachment This is the never before told inside story of the high stakes four year long investigation into Donald Trump s Russia ties culminating in the Steele dossier and sparking the Mueller report from the founders of political opposition research company Fusion GPS Fusion GPS was founded in 2010 by Glenn Simpson and Peter Fritsch two former reporters at The Wall Street Journal who decided to abandon the struggling news business and use their reporting skills to conduct open source investigations for businesses and law firms and opposition research for political candidates In the fall of 2015 they were hired to look into the finances of Donald Trump What began as a march through a mind boggling trove of lawsuits bankruptcies and sketchy overseas projects soon took a darker turn The deeper Fusion dug the more it began to notice names that Simpson and Fritsch had come across during their days covering Russian corruption and the clearer it became that the focus of Fusion s research going forward would be Trump s entanglements with Russia To help them make sense of what they were seeing Simpson and Fritsch engaged the services of a former British intelligence agent and Russia expert named Christopher Steele He would produce a series of memos which collectively became known as the Steele dossier that raised deeply alarming questions about the nature of Trump s ties to a hostile foreign power Those memos made their way to U S intelligence agencies and then to President Barack Obama and President elect Trump On January 10 2017 the Steele dossier broke into public view and the Trump Russia story reached escape velocity At the time Fusion GPS was just a ten person consulting firm tucked away above a Starbucks near Dupont Circle but it would soon be thrust into the center of the biggest news story on the planet a story that would lead to accusations of witch hunts a relentless campaign of persecution by congressional Republicans bizarre conspiracy theories lawsuits by Russian oligarchs and the Mueller report In Crime in Progress Simpson and Fritsch tell their story for the first time a tale of the high stakes pursuit of one of the biggest most important stories of our time no matter the costs

President Trump Moves to Crush British Coup Lyndon LaRouche, 2018-09-21 Sept 18 Late afternoon on Monday Sept 17 the White House Office of the Press Secretary issued the following statement from the Press Secretary which we include here in its entirety: STATEMENT FROM THE PRESS SECRETARY Issued on September 17 2018. At the request of a number of committees of Congress and for reasons of transparency the President has directed the Office of the Director of National Intelligence and the Department of Justice including the FBI to provide for the immediate declassification of the following materials: 1 pages 10 12 and 17 34 of the June 2017 application to the FISA court in the matter of Carter W Page 2 all FBI reports of interviews with Bruce G Ohr prepared in connection with the Russia investigation and 3 all FBI reports of interviews prepared in connection with all Carter Page FISA applications. In addition President Donald J Trump has directed the Department of Justice including the FBI to publicly release all text messages relating to the Russia investigation without redaction of James Comey Andrew McCabe Peter Strzok Lisa Page and Bruce Ohr. According to press accounts on Monday evening the documents will be released expeditiously with the FISA application coming first together with the FBI interview reports of Bruce Ohr and Carter Page. It is anticipated that the text messages will take a longer time to release. This dramatic action by the President occurs at the same time as a grand jury in the District of Columbia considers criminal indictments of key officials for leaks of classified information generated in the Russiagate investigation to the news media according to widespread press reports. By all accounts the declassification of these documents will allow the public to grasp for the first time a clear view of the most frightening political abuse of power in American history. The Obama Administration acting at the behest of the British government set out to destroy Donald Trump's candidacy on behalf of his opponent Hillary Clinton using the full national security and law enforcement powers of the United States to do so and then to destroy his Presidency. British intelligence through MI6's Christopher Steele produced a political hit piece on Donald Trump which was paid for by Hillary Clinton. Steele's dirty dossier asserted that Trump had

nefarious connections to Russia and that Putin had compromised him On four separate occasions Obama Justice Department officials went to the top secret FISA court established under the Foreign Intelligence Surveillance Act of 1978 to obtain complete surveillance of Trump campaign volunteer Carter Page and through him on the Trump campaign itself According to Steele s deliberately false claim Carter Page was a central figure in the Trump Moscow nexus The same Justice Department officials knew when they made the application that Steele s dossier was false concerning Page They never informed the court that Steele s information had been paid for by Hillary Clinton Trump s opponent and that it had never been verified as required by FISA procedures Steele s dirty dossier was used by John Brennan s CIA as the pretext for entrapment operations against Trump campaign volunteers George Papadopoulos and Carter Page conducted for the most part on British soil All the while the FBI and others were leaking endlessly to the news media that there was a serious FBI investigation of candidate Trump which implicitly involved charges amounting to treason with respect to Russia James Comey Andrew McCabe Peter Strzok Lisa Page and Bruce Ohr were key players in this orchestrated information warfare and political espionage operation against Donald Trump LaRouche PAC has repeatedly called for the President to declassify in addition to these documents all British spawned documents demanding investigation of Donald Trump and his campaign associates
