**Export and Import Procedures** Jignesh Vidani, 2019-01-10 This book is the work of almost 35 years of my academic career. The book focuses on the way of starting a new export and import business. The entire book is divided into four main modules. The 1st module discusses about the role of export and import in developing countries like India, the current scenario of the export and import in India, categories of exporters, and preliminaries of starting an export and import business in India. The 2nd module discusses about the registration process of exporters and importers, registration with Export Promotion Council, registration cum membership certificate, registration with government bodies relating to the export and import business. The 3rd module discusses about the detailed registration process of central excise, assessment of the central excise, mode of payment of central excise, CENVAT credit, arranging for the import finance and export finance, and the EXIM bank. The 4th module discusses about the scrutiny of the import and export documents, methods of payment, exchange rate, forward market, custom clearance of imported goods, Agri Export zone, 100% export oriented units, Export Processing zones, Special Economic zones, Port trusts, Service exports, Service Export Councils, and FEMA Act. Each unit comprises of a list of terms and practice questions. It also has past GTU papers for the practice of the students. The book is worth for the bachelor level and even few master level students who learn Export and Import Procedures and International Business.
